Dear Terri,

I am pleased to provide the following proposal to Acme Company 1. This proposal is for professional service hours for our team of experts to create reports for your existing Contract Logix application.

I held the December promotion rate to show our appreciation of having you as a customer for the last few years. I have also added 5 addition hours at no cost for our team to review your configuration and correct any setup issues they may find.

The information provided in the proposal is very straight forward but as always please do not hesitate to contact me directly should you have any questions.

I can honor the terms of this proposal through January 30, 2014. Please confirm your desire to proceed with the purchase and I will create the necessary addendum to your customer agreement.

Sincerely,
